MONTHLY MOMENT WITH REV. TIM

PUMPKIN SPICE

Pumpkin spice has become the official / unofficial flavor of the season. What started out as a coffee flavor has infiltrated all things fall. Cookies, syrup, waffles, Cheerios, chocolate, and more. It is just one more indication of the changing of the season.

We also have other signs: the Coosa Valley fair, fairs in Cedartown, Cave Spring, and other towns in the surrounding area. Fall festivals, craft fairs, hayrides, and seeing the kids dressed up for Halloween. Fun times for friends and family.

These all signify a change of seasons, a time of transition from the hot, humid days of summer to a time when there is a little nip in the air, the leaves start to change, and we see again the wonder of God's creation. For in God's creation, God is always creating. God is creating constantly, ever changing, always making anew. The cycle of the seasons and the cycles of life that we are a part of. For as we see the changing of the seasons and God's creation, we praise him for the change he has brought in us.

As Paul tell us in his letter to the Corinthian church,
"Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!"

We are new creations in Christ, in that our old self is cast away, and we have new life in him. As with all newly created things, they must also grow. We are not just one and done when we accept Jesus as Lord; we must keep growing in relationship with the Father and growing in how we show his love to each other. We must continue to grow as a body of Christ, as the church, and in how we serve the world.

As we observe the change in the seasons and all the signs we see in nature around us, let us not forget that we are not to stay as we are. We are to grow in our relationship with God through Jesus Christ and grow in how we show Christ to the world around us.

Blessings and Peace,

Tim
